J.K. Rowling has woken up a whole generation to reading The Times The Harry Potter books are that rare thing, a series of stories adored by parents and children alike Daily Telegraph The most remarkable publishing sensation for a generation ... the story is told with such momentum, imagination and irrepressible humour that it can captivate both adults and children Sunday Express Hooray for Harry Potter ... [Harry's] adventures are as funny as Roald Dahl's stories and as vivid as Narnia books - and adults seem to enjoy them as much as their children Daily Mail --This text refers to the Hardcover edition.

Newbery Medal winner Nancy Willard has written numerous beloved books for children and adults,

including poetry, picture books, and novels. She teaches writing and literature at Vassar College. Mary GrandPre is the acclaimed illustrator of many children's books, including *Plum*, by Tony Mitton; *The Thread of Life*, by Domenico Vittorini; and the bestselling Harry Potter series, by J.K. Rowling.

I was disappointed to see that entire words were missing throughout some of the books which made it difficult to read in some areas. By the time I reached those points in the books it was too late for a refund. There is more than this one page that had faded words, but this is the only picture I took to show as an example. I suggest going through all of the books to make sure nothing like this has happened to you.

They've done a great job with the kindle version of the books and putting them all in one collection. My only complaint would be that you can't turn it sideways and get all the words.

enjoyed immensely. This series is thought provoking for adult minds even though the cTegiry is for kida...differwnt kayers ...not *fluff"

The book arrived in timely fashion and was as described.

One of the better entries in the Harry Potter series. All of them are good, this one stands above most of the other (with the exception of the half blood prince in my opinion). It's a great long read with lots of action, story line and a great plot development.

I LOVE HARRY POTTER!!! WOOHOOO!!! I'M so happy I finally finished this book! I liked it very much. It only took me a lot of time to read it cause I never really liked the second of this series or any series. I finished it this morning in the bus and I just felt like I wanted to scream that I WAS FINISHED!!!OK. Let's talk serious about this book now. ***SPOILER ALERT*** (even if everyone already read the book or saw the movie, like daw)-Professor Lockhart really got me on my nerves the whole freeking book! I'm so glad that ass lost his memory! He's so stupid and I am so mad at him that he stole all his stories from other wizards adventures. He's a coward!-I would not like to go to a school full of petrified people getting attacked and killed. But it's worth it if you're going to Hogwarts and that Harry Potter is there to save the day :P-I love the character Dobby!! But, I'm mad at him from trying to save Harry Potter with the Budger (if we write it like that) or the letters that he

stole... I just love when Harry says "Just please don't try to save me again", but we all know that that won't happen :(I pity Dobby, I think that he's just so cute and deserves to be free (well now he is and I'm glad about it).-I was suspecting Dobby or professor Lockhart all along for the air of Sliterin. I thought that maybe Dobby was helping his master(Lucius) that wants that Harry Potter dies by being killed by Voldemort. (cause you know, Lucius works for Voldy). But, Dubby was only warning Harry that he might be killed by Voldemort on his second year at Hogwarts.-Well I can't think of anything else that you don't already know so.. yaGoodnight people of the world

I just turned 30, but I absolutely ate up the first four Harry Potter books! They brought back great Narnia and Wizard of Oz memories from my childhood. The stories and characters were complicated, rich and just plain fun enough that even "old" me loved them! I realize I'm not telling you anything you haven't heard before, but I wanted to add my two cents and say that Harry Potter is a modern classic. I'm positive my *grandchildren* will be reading these books alongside the Narnia and Oz books, and loving them. I don't doubt for a moment that I too will enjoy dusting them off in the years to come and taking a mental spin with Harry on his Firebolt at Hogwart's -- even when I'm an old granny.

You don't have to be a kid to get into the Harry Potter craze. After reading the first two of the series, I'm likely to read the rest. Rowling captures the concerns of children and adults everywhere-the desire to be wanted and accepted, to feel safe, to be appreciated, have good friends, to learn and have adventures. The characters are distinct, memorable, and charming in original ways. I love the all-flavor beans, the Quidditch matches, Dobby's self-punishing behavior, and polyjuice potion. Very entertaining. A nice change from what I usually read. ~Joan Mazza, author of DREAM BACK YOUR LIFE and DREAMING YOUR REAL SELF
