Great calender and photos

It's a fun calendar. I love it!

This is a calendar, so the questions about the author's writing, the violent and sexual content, and the story narration are totally inappropriate - but I answered them anyway. Anyway, as a Star Trek Fan for 50 years, this is a beautiful calendar as long as you enjoy the reboot as I do.

The pictures are awesome in this calendar. I love this one more than the last "Into Darkness" One i had a few years ago. There's a huge variety in the characters and shows a lot more of the crew than the older one!

I have been buying Star Trek Calendars for more than 40 years. So many in fact, I can reused my

old ones because Jan 1 and the day of the week repeat after a while. It is nice to get a calendar with the new crew. 5 Stars

Love the calendar it is wonderful

A full size calendar that shows scenes from the movie in full color and very clear in detail. If you are a fan of the new or from the original this is a must for your die hard fan.

A great gift for those wanting to look into the future without having to break any temporal laws ha! A great 2017 calendar. I would recommend to others.
