Shipping Weight: 5.6 ounces

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #3,452,536 in Books (See Top 100 in Books) #70 in Books > Travel > United States > Illinois > Chicago #2408 in Books > Arts & Photography > Architecture > Criticism

Customer Reviews

It's a thorough pictorial history broken up first by era and then by location of the Windy City's skyscrapers. Unfortunately the book's age keeps more than 20 years of recent architectural changes to the city's skyline out of the text. For someone looking for the architecture of the 1980s onward, this edition is not the one to go for. If however, one is looking for a solid resource for older architecture, this book will compliment newer books nicely.
