# Carry On Private Dahlgren

## Synopsis

Follow Miss Elli, a beautiful cat, and Scrubs, a mixed-breed pup, after they pass through the Pearly Gates into heaven. They are worried and sad about the loved ones that were left behind. With the help of guardian angels, they devise a plan to see and send messages to their families one last time. --This text refers to an out of print or unavailable edition of this title.

## Customer Reviews

CARRY ON PRIVATE DAHLGREN takes the reader on a one year WWI tour in the person of a young private who became a runner. His impressions of the war, exploding shells, water logged trenches, friends he made, friends who died, NCOs and officers; and at the end, the horrors of poison gas (which I identify as Mustard Agent). There is no protagonist nor antagonist in the literary sense, just men, Germans, Austrians, English, Australian, Canadian, and American doing their duty as they saw it. Some were good, some were brave, a few were bad, but most were just trying to stay alive. Private Oscar Dahlgren is a typical American: High school educated, intelligent, observant, and dedicated. A man who does his duty and lives by his values. The kind of man who made America a great nation. CARRY ON PRIVATE DAHLGREN is history, American history, world history. Conrad Larson did his best to reproduce the journals as accurately as possible. The words are Private Dahlgren's, reproduced much as he wrote them, spelling and grammatical errors, the works. Mr. Larson has updated names and locations noted by Private Dahlgren to current names and locations. CARRY ON PRIVATE DAHLGREN belongs in public and school libraries, and the library of history buffs.
