The Arcadian Druid: Age Of Magic - A Kurtherian Gambit Series (Tales Of The Feisty Druid Book 1)

Synopsis

She missed the war, but sheâ™ll be damned if she loses her chance for revenge. Born an Arcadian, but raised as an exile among the Druids, Arryn has trained hard her whole life to bring justice to the man who destroyed her life. The problem? Some girl from the Boulevard beat her to it. With Adrien dead, and his ashes scattered to the wind, Arryn can finally return to the city she once called home to learn the truth about her family. But powerful forces work in the shadows, carrying on Adrienâ™s evil vision, and threatening to draw Arcadia back into the darkness. Arryn might just get to fulfill that vow for vengeance after all... Set on the foundation laid by the Kurtherian Gambit Series, The Arcadian Druid tells an entirely new story in the Age of Magic--and of the heroes and villains who battle for control of its destiny.

Customer Reviews

A very satisfying thread in the Kurtherian Age Of Magic tapestry, digging into the world of the

Druids. Arryn is a worthy protagonist with exciting potential. New characters are fun to get to know and many of the people who fought in the Battle for Arcadia are still around struggling to rebuilt the city. This story is more about politics and information ops (a.k.a., fake news) than magical battles but it does have those too. Book 1 is an entertaining excursion into the world of Irth, and a great start to another adventure with a different flavor of magic. But it's just a start. Can't wait for more. Note that lists this as Book 1 of 2 in Tales of the Feisty Druid (2 Book Series), I HOPE NOT because Book 1 is just a nice start to something great and Book 2 does not end. Perhaps wait for Book 3 before diving in.

You have created a good group of characters and keep the story flowing using all of them. There is something slightly off about Talia. She doesn't have enough depth. I understand the character. Maybe you have given to much of her thoughts and not enough of her abilities. Regardless, well worth reading as I look forward to the next book. Thank you

An Arcadian raised as a Druid! Thank you for the new characters in this world and I love to see things coming together with characters we already know. This story takes off after the battle with Adrien. Great writing and character building. Can't wait for the continuing story!

Loved it. So much excitement, adventure, and danger. Two stories in one, what is happening in the Dark Forest and what is happening at the academy. Interesting

I like the combination of characters. There's a logical explanation of the separate but similar magics and a good sense of the battle between good and evil.

The Arcadian Druid: Age of Magic is a fantastic addition to the Kurtherian Universe. As with all of the other stories, the character development is phenomenal and the environment created by Candy's writing draws the reader in. At least it did with this reader. Yet another Kurtherian series where I can't wait for the next book. Thank you Candy.

Loved this new one. Wait with baited breath for the next ones!! Love the interaction between the two main characters!!
