Frommer's EasyGuide To Israel (Easy Guides)

Synopsis

Selling for a lower price than any similar guidebook, and deliberately limited to a short 256 pages, this EasyGuide is an exercise in creating easily-absorbed travel information. It emphasizes the authentic experiences in each destination: the most important attractions, the classic method of approaching a particular destination; the best choices for accommodations and meals; the best ways to maximize the enjoyment of your stay. Because it is "quick to read, light to carry", it is called an "EasyGuide", and reflects Arthur Frommer's lifetime of experience in presenting clear and concise travel advice.

Book Information

Best Sellers Rank: #571,008 in Books (See Top 100 in Books) #88 in Books > Travel > Middle East > Israel > General

Customer Reviews

Robert Ullian was educated at Amherst College and Columbia University. His work has appeared in publications ranging from Mademoiselle and Esquire to the Boston Phoenix. A recipient of a National Endowment for the Arts grant in fiction, he is the author of guidebooks on Israel, Bali, Morocco as well of coauthor of Frommer's Venice Walking Tours and Frommer's Israel Past and Present. He divides his time between Israel and Amherst, MA.

As always, Frommer's guides are invaluable, especially in the Kindle version. You can pack a lot of tools and information on the Kindle when published versions would be far too much to carry.

I have the opportunity to spend five days in Israel -- an add-on from a work trip. This book really helped me to narrow down my options and make the most of the trip.

This Guide is so chocked full of useful information. Have used it as an indispensable tool in planning my trip to israel.

good information

Light. Don't get why so many guidebooks are heavy. Luggage, you know. Generally informative. But no index which would have been very helpful.

If you can't handle small print, skip this book. The layout and the narrative are good, but unless you have super vision I would opt for the Kindle version or for something else.

good book - not a lot of extra junk to wade through. got right to the point on highlights and what to see.

not as many details as some but great for the tourist.
