Synopsis

See the best of Amsterdam with this streamlined walking guide, complete with 11 step-by-step itineraries and maps, to help you explore the city like a pro and navigate like a local. Created in a handy, take-along format, this guide is written by a seasoned travel writer to help conjure the spirit of the place in elegant text enhanced by National Geographic's famous eye for good pictures. More than just a guidebook, *Walking Amsterdam* is full of information about the city and its people. The guide is divided into the following sections: The Whirlwind Tours section shows you how to see the entire city in a day or a weekend; what sites will interest kids most; plus tours catered to shoppers and history lovers. The Neighborhoods section presents the city broken down into six itineraries that lead you to the best sites in each of the city's greatest neighborhoods--from Nieuwe Zijde and Oude Zijde to the Museum District and New South. Each itinerary includes such special features as "Distinctly Amsterdam...", highlighting quintessential aspects of the city (tulips, Genever & beer, and Dutch design); "Best Of," providing specific thematic groupings of sights, such as biking around town, canals, and Dutch food; and "in-depth" spreads that take a deep dive into a major museum or other iconic sight along the route. Travel Essentials provides information on how to get to the city and how to get around once you're there, as well as hand-picked hotels and restaurants. *Walking Amsterdam* is part of an exciting pocket-guide series from National Geographic that showcases the world's great cities. Travelers will find top-notch, streamlined, and useful local knowledge that goes beyond the Internet basics to ensure a rewarding, authentic, and memorable urban experience.

This book was one of many that I looked at before deciding on one. It is a good size to carry in a purse and be able to walk around the city. Lots of good info that one would never know if you didn't have this book.

Awesome walking guide!

Awesome for a traveller to Amsterdam.

These particular books are fantastic. Bought the Amsterdam book because the Rome book was incredible.

This was a great guidebook for us on our recent trip to Amsterdam! I read it ahead of time, and highlighted many of the things we wanted to be sure we did not miss. I would highly recommend.

I appreciated this guide--it gave concise information and pictures, but didn't overwhelm with too many details. Very attractively presented, very usable.

Very helpful and informative. I am still planning my trip and will modify my review if it turns out to be less helpful than it appears to be.

excellent
