Customer Reviews

I absolutely LOVE Roman and Ana..... When I started this book I thought it was going to be a typical Alpha romance... Boy was I proved wrong over and over throughout the entire story. I was intrigued from the very beginning, Roman is a hard man to crack, he knows what he wants. He ALWAYS gets what he wants, and he wants Ana. Ana has lead a not so glamorous live with junkies as a mother and brother, but Ana loves her brother fiercely and she is willing to do whatever she

needs to do to find him. Dive into this hot and steamy suspenseful story and fall in love!!

5 Hot, Sexy and Dominating StarsOK, I officially LOVE this author:) So far, she is batting a thousand with this series!!!! Once again, this was another hot, sexy story BUT this alpha male was so dominating that my Kindle along with my undies just about broke out into flames!!!!!! I love that this author does a great storyline, the writing is awesome, her characters both the H and h, you just can't help but love them, the story flows seamlessly, it's not a short read but yet I flew through it at lightning speed and found myself so engrossed that I couldn't put it down. The sex scenes were incredible, every single one of them:)Roman is SUPER ALPHA and I couldn't get enough of him! Ana was super sexy herself and what I really love especially about the female lead is that she is strong and confident not the typical "doormat". I love that although it's "insta" themed, boy does this author do it RIGHT!! I have to say towards the end of the book, I was on the edge of my seat, holding my breath all the while DYING to know how this story was going to end and OH YEAH, true to form, this author does it right every time:)Love, Love, Love this story and this series!!!!!! If you love alpha males, strong and sexy females, a fast paced read full of drama and HOT SEX but yet still has that sweet butterfly feeling in your belly.....then read this book....this series!

I bought this book because of the couple of chapter teaser at the end of the book Bought And Paid For by Jordon Marie and Jenika Snow, and I am so glad I did. Roman and Ana's story was well written, fast paced, had some great twists and turns, and H-O-T. These 2 are the definition of obsessed. Great job Jordon, loved this book

Jordan there really wasn't anything wrong with this book. I just had to personally get past a dislike in the affectional word "pet". It kept reading in my mind "slave". So you see there was absolutely nothing wrong with your story, it most definitely was me. Sorry.

The criminal meets the crime fighter in Unjustified Demands by the talented Baylee Rose. Well written, scorchingly sexy with a suspenseful story that will have you wondering who's really the bad guy. Ms. Rose's second novel is a welcome addition to this super steamy series. If a bossy alpha male with an edge is what you want, Unjustified Demands won't disappoint you!

Ana and Roman's relationship is all based on lies and obsession. But they are so hot together. I liked Roman's decisiveness, and the author kept a bit of tension around Ana's secret for awhile. Her

family, sucked. The steam was quite frequent, and quite steamy.

I was on the edge threw whole book. I couldn't put it down. Roman and Ana's relationship is so intense. He is one sexy and domineering Alpha. This is one freaking hot book

I fell in love with Roman. Even though he was a dick head to begin with, I loved how he finally told Ana that he loved her. I am so looking forward to Marcus' story.
