Customer Reviews

This is a big help when you want information about Florida tourist places but it is a little out of date.

Did not realize this is a book of paid advertisers. Everything in here paid to be included. Was looking more for small town tour book and not another tourist trap affair.

Book exactly as stated

What can i say, it's a really good series of books for finding things to do or see in my state.

Old and outdated in black and white. Many businesses are out of business.

out of date for 2017

already had some of these places in other books

we like this book, good ideas
