The McCall Pattern Company (est. 1870) is the world's foremost producer of sewing patterns with offices in New York, London, Canada, and Australia.

These are so cute! The cards are a good weight, and the envelopes look like patterns. I will definitely buy these again!

Adorable, and perfect for my mom who sewed many clothes just like these.

These are so cute! I teach Fashion Design & these are perfect for any quick note I want to send out!

Great set of notecards for the craft lover or fashionista! Gave this as a gift and my friend loved it.

I first found these at World Market, then searched and ordered 2 more boxes. These are very cute

& take me back to the pattern days of my mom's sewing. The envelopes are like the paper pattern. Very unique gift cards!

These notecards are everything I expected and more. I would buy another box eventually. I would recommend this product to everyone. Thank you for offering this great product. Marilyn Collins

I bought this as a present for someone who used to do her own sewing during the 1960's and 1970's. She loved them. Another sewer saw them and asked where I got them from. She also wants a set. Recommended for the sewer in your life (or anyone who loves vintage things).

Very novel, my sewing buddies all loved them
