## Customer Reviews

I bought a few of these as a gift for my nephew, who LOVES the Magic Tree House books. This aunt loves anything that gets the kids excited about reading! Great price, fast shipping, and awesome stories to encourage kids to read! It always makes my day to know that people find my reviews helpful (and if not, why.) Also, if you have any questions, clarifications, or comments please feel free to leave a comment below. Thanks!

The magic treehouse brings Annie and Jack to ancient Ireland just in time to see Vikings arrive to raid the monastary. As with all Magic Treehouse books, Viking Ships At Sunrise is simple and formulaic and easy to read. It is perfect for elementary school children and new readers. Some facts are given throughout the book. I recommend the Magic Treehouse series for new readers. They really build confidence!

my 7 year old loves this series. it is one of the book series that got her reading (she is a wiggler) so no complaints here!
